DGH's Parent Council Election for 2020-2021 School Year

September 14th, 2020

Dear Parents and Guardians,

I'd like to invite you to participate in the Dr. George Hall Public School Parent Council for 2020-2021. Our Parent Council Election will be held on Wednesday, October 7, 2020 at 6:00 pm in our school's Library. Other than this first election and meeting, meetings are normally held the third Wednesday of the month. We do our best to send out a reminder email as well as a Social Media reminder post. We normally have around 5 meetings per year.

Note: at this point (and perhaps for the entire school year), Parent Council Meetings will be held online (via Google Meet). For those without a reliable internet connection, we can teleconference with people too.

ANY PARENT with a student at DGH is welcome to attend. We are always looking for new members to join and we welcome back returning members. While we hope you can attend each meeting, we understand that members may miss some meetings due to how busy our lives are.

Why join? Parent involvement is very important to your child's education. It is also a great way to stay up to date with school events and what is going on within the school community. The Parent Council is not just about fundraising. Yes, we do that too, but by doing that we are able to add value to every student's school life.

Parent Council has added many things to the school like:

- Painting of new games on the school tarmac
- DGH logoed Canopy for going to different sporting events
- New jerseys for all the school teams to use
- Fundraising for the future purchase of new playground equipment

Being on the Parent Council gives you insight into the heartbeat of the school. Our opinion matters! As parents we are able to voice our opinion through the Parent Council. The Parent Council is generally composed of our Principal, Vice Principal, a community representative, one of our Secretaries, and an EA or Teacher. As the Parent Council, we are looking out for ALL of the students in our school, not just our own. During our meetings we try to make sure that our personal issues are not involved and we are considerate of the entire school. If you need to speak about your own child, please book an appointment with either your child's teacher or Principal.

If you'd like to simply join our Parent Council (and not necessarily be on the executive), fill out the form below and return to the school or complete the Google Form at the link below. Our preferred method would be completing the online Google Form if at all possible. All nomination forms must be received by Friday, October 2 at 3:30 pm.

We will add you to the list of wonderful parents that make up our Council! If you have already filled out a form for this year (which would include the online Google Form), there is no need to complete another. Whether you are applying to just be on the Parent Council or if you would like to be considered for an Executive position, please also complete the "Rationale For Why You Would Like To Be On The DGH Parent Council" form. This is needed in the event that more individuals apply for positions on the Parent Council and/or Executive than there are positions for.
